

UROLOGY FACULTY MENTORS

	<p><i>Nelson Bennett, MD</i> Galter 20th floor (312) 695-6124 Nelson.jr@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Male reproductive medicine and surgery ➤ Andrology ➤ Erectile dysfunction
	<p><i>Robert Brannigan, MD</i> Galter 20th floor (312) 695-6124 r-brannigan@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Male reproductive medicine and surgery ➤ Ejaculatory disorders ➤ Fertility preservation in men with cancer ➤ Men's reproductive health
	<p><i>William Catalona, MD</i> Galter 20th floor (312) 695-6124 watalona@nm.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Prostate cancer ➤ Genetics of prostate cancer ➤ Novel testing for prostate cancer ➤ Nerve sparing prostatectomy
	<p><i>Earl Cheng, MD</i> Ann & Robert H. Lurie Children's Hospital of Chicago echeng@luriechildrens.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Pediatric urology
	<p><i>Daniel Dalton, MD</i> 676 N. St. Clair (Arkes), 18th floor daltond12@rcn.com</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Bladder cancer, kidney cancer, prostate cancer ➤ Stone disease ➤ Robotic surgery
	<p><i>Edward Gong, MD</i> Ann & Robert H. Lurie Children's Hospital of Chicago egong@luriechildrens.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Pediatric urology
	<p><i>John Hairston, MD</i> Galter 20th floor (312) 695-6124 jhairsto@nm.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Male and female incontinence ➤ Voiding dysfunction ➤ Pelvic reconstruction ➤ Neurourology

	<p><i>Matthias Hofer, MD, PhD</i> Galter 20th floor (312) 695-6124 m-hofer@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Male reconstructive surgery
	<p><i>Emilie Johnson, MD, MPH</i> Ann & Robert H. Lurie Children's Hospital of Chicago ekjohnson@luriechildrens.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Pediatric urology
	<p><i>Stephanie Kielb, MD</i> 20th floor Galter (312) 695-6124 skielb@nm.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Bladder cancer ➤ Pelvic floor dysfunction ➤ Fistula repair ➤ Neurogenic bladder disease
	<p><i>James Kozlowski, MD</i> 20th floor Galter (312) 695-6125 jkozlows@nm.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Urologic oncology ➤ Reconstructive surgery ➤ Medical student education
	<p><i>Shilajit Kundu, MD</i> 20th floor Galter (312) 695-6125 skundu@nm.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Urologic oncology ➤ Cancer genetics ➤ Robotic surgery ➤ Multimodal therapy for advanced cancers
	<p><i>William Lin, MD</i> 676 N. St. Clair (Arkes), 18th floor w-lin@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Erectile dysfunction ➤ Laparoscopic and robotic surgery ➤ Male infertility
	<p><i>Dennis Liu, MD</i> Ann & Robert H. Lurie Children's Hospital of Chicago dbliu@luriechildrens.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Pediatric urology
	<p><i>Max Maizels, MD</i> Ann & Robert H. Lurie Children's Hospital of Chicago max.maizels@gmail.com</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Pediatric urology

	<p><i>Kelly Maxwell, MD</i> 676 N. St. Clair (Arkes), 18th floor k-maxwell@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Urologic oncology ➤ Robotic surgery ➤ Female urinary incontinence ➤ Stone disease
	<p><i>Joshua Meeks, MD, PhD</i> 20th floor Galter (312) 695-6125 joshua.meeks@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Urologic oncology ➤ Reconstructive surgery following cancer ➤ Robotic surgery ➤ Genetics
	<p><i>Robert Nadler, MD</i> 20th floor Galter (312) 695-6124 r-nadler@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Robotic surgery ➤ Minimally invasive management of kidney stones ➤ Outcomes of erectile function following robotic prostatectomy
	<p><i>Kent Perry, MD</i> 20th floor Galter (312) 695-6125 kentperry@nm.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Urologic oncology ➤ Minimally invasive surgery ➤ Stone disease
	<p><i>Anthony Schaeffer, MD</i> 16th Floor Tarry (312) 908-8145 ajschaeffer@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Urinary tract infections ➤ Prostatitis ➤ Chronic pelvic pain syndrome
	<p><i>Edward Schaeffer, MD, PhD</i> 16th Floor Tarry (312) 908-1615 e-schaeffer@northwestern.edu</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Prostate Cancer ➤ Prostate cancer genetics ➤ Prostate cancer outcome disparities ➤ Surgical quality improvement
	<p><i>Elizabeth Yerkes, MD</i> Ann & Robert H. Lurie Children's Hospital of Chicago eyerkes@luriechildrens.org</p>	<p>Areas of interest:</p> <ul style="list-style-type: none"> ➤ Pediatric urology
