Cutting Edge Technology and the Future of Clinical Care

7th Annual Clinical Research Symposium
Provided by: The Northwestern Advisory Council for Clinical Research

McGaw - Daniel Hale Williams Auditorium
240 E. Huron, Chicago, Illinois
Friday, June 17th, 2016

Symposium Lecture Information

Awash in Data: Balancing Liquidity and Privacy of Health Information
Abel Kho, MD
Director, Center for Health Information Partnerships
Institute for Public Health & Medicine
Associate Professor, Preventive Medicine-Health & Biomedical Informatics
Feinberg School of Medicine
Northwestern University

Learning Objectives:

1. Identify promising applications of data sharing (liquidity) to improve clinical care.
2. Describe regulatory requirements protecting health information and a framework to address these concerns.

The Thrill of Victory and the Agony of Defeat; A Trialist’s Tale
Rod S. Passman, MD, MSCE
Professor, Department of Medicine/Division of Cardiology
Department of Preventive Medicine
Feinberg School of Medicine
Northwestern University

Learning Objectives:

1. Describe the development of successful research which utilizes new technology.
2. Characterize building the infrastructure to support the technology based research initiative.

Nanoparticle Delivered Treatment in Glioblastoma:
Translating Scientific Advances to the Bedside

Caroline H. Ko, PhD
Chief Scientific Officer & Industrial Liaison
International Institute for Nanotechnology
Department of Chemistry
Weinberg College of Arts and Sciences
Northwestern University

Learning Objective:

1. Describe the components of developing a Phase 0 study and joining scientific expertise of the Ph.D developers and the clinical expertise of clinical trialists.

Disclosures & Important Information

- This educational activity is being presented without the provision of commercial support and without bias or conflict of interest from the planners and presenters.

- Successful completion of this educational activity requires full attendance (no partial credit will be given), as well as the completion of an evaluation form. Nurses seeking contact hours must also provide their license number at the time of registration.

- This activity has been submitted to the Ohio Nurses Association for approval to award contact hours. The Ohio Nurses Association (OBN-oo1-91) is an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

- Please contact ACCR at accr@northwestern.edu for more information.
