CLINICAL

Stacy McCarty received two grants: Acorda Neurologic Rehabilitation Research Grant; and an extension of a previous discovery grant from the American Brain Tumor Association for her research "Outcomes and Cost of Day Rehabilitation in Malignant Brain Tumor Patients."

Joel Press: Was the Singapore Ministry of Health Visiting Expert in Rehabilitation Medicine, January 7-10, 2013. Included are the presentations listed below, three bedside teaching sessions and meetings with administrators, public officials and various physicians and therapists:

- "The Past Present and Future of Low Back Care"
- "History and Physical Exam in Low Back Pain"
- "What are Functional Back Exercises"
- "Rehabilitation of Sports Injuries"
- "The Kinetic Chain and Throwing"
- "Diagnosis and Treatment of Patellofemoral Pain"
- "Core Strength- Is It Important?"
- "How to Build a Musculoskeletal Rehabilitation Program"
- "The Cost of Low Back Pain"
- "Clinical Pearls in Back and Neck Pain"

Thomas Schnitzer: submitted an RO1 “Alterations in Bone and Gonadal Function after Spinal Cord Injury”, NIAMSD

NURSING

Rosemarie King is reappointed to the AHA-ASA Cardiovascular-Cerebrovascular Stroke Nursing Committee 2013.

ALLIED HEALTH

Chih-Hung Chang:
Associate Editor of BMC Palliative Care in December, 2012.

**BCQ-: A Body Constitution Questionnaire to Assess Yin-Xu, Part II: Evaluation of Reliability and Validity.**

**A Screening Tool for Dengue Fever in Children.**

**BCQ-: a body constitution questionnaire to assess Yin-Xu, Part I: establishment of a provisional version through a Delphi process.**

Co-Mentor (with Dr. Linda Emaneul) for Dr. Rebecca Johnson's Junior Faculty Career Development Award through the National Palliative Care Research Center

Grant Review: Nursing and Related Clinical Sciences Study Section, Alexandria VA

Reviewer: Value in Health – Journal of the International Society for Pharmacoeconomics and Outcomes Research (ISPOR)

Justin Drogos:
Poster:

Paper:

Presentation:

Award:
Received nuerologic board certification (NCS) form APTA in ceremony at Combined Sections Meeting in San Diego. Originally awarded in May 2012.

Mary Ann McMorrow received board certification in Clinical Neuropsychology, ABPP.

CENTER FOR PAIN STUDIES

**CENTER FOR REHABILITATION OUTCOMES RESEARCH**

*Grants Submitted:*
- Heinemann and Deutsch: PCORI: Developing Quality Metrics from Patient-Reported Outcomes for Medical Rehabilitation
- Heinemann: FIP Neuro QoL
- Heinemann: FIP PROM
- Ehrlich-Jones- R21: Technology to Enhance Peer Support and Healthy Lifestyle in Patients with Lupus
- Stevens (Ehrlich-Jones, Deutsch): Nurse Staffing and Patient Outcomes in the Rehabilitation Setting

*Manuscripts:*

*Presentations:*

Deutsch A. Ethical Issues with Large Database Research. Lecture for Ethical Issues in Health Services Research (HSR 460) course, Northwestern University Feinberg School of Medicine. Chicago, IL, January 24, 2013. Graduate course.

**Books, Book Chapters:**
Deutsch A, Sandel E. Post Acute Rehabilitation Care and Patient Triage in Stroke Rehabilitation (Harvey and Stein, editors)

**Service Activities:**

**Allen Heinemann**
Co-Editor-in-Chief, Archives of Physical Medicine and Rehabilitation
Chair, Outcomes Measurement Networking Group, American Congress of Rehabilitation Medicine

**Anne Deutsch**
Program Committee, American Congress of Rehabilitation Medicine.

**Linda Ehrlich-Jones**
Member, Board of Directors, Rheumatology Research Foundation

**NORTHWESTERN UNIVERSITY PROSTHETICS AND ORTHOTICS CENTER**

**Publications:**

**Presentations:**

Transfemoral Amputations. The 14th World Congress of the International Society of Prosthetics and Orthotics, February 4-7, Hyderabad, India.

Heckathorne, C. "Myoelectric Control and Electric-powered Upper-limb Prosthetic Components." Guest Lecture for Department of Biomedical Engineering, Marquette University, Milwaukee, WI, November 20, 2012.

Heinemann A, Ehrlich-Jones L, Connelly L, Fatone S (2013) Improving the Quality of Prosthetic and Orthotic Services with Process and Outcome Information. The 14th World Congress of the International Society of Prosthetics and Orthotics, February 4-7, Hyderabad, India.

of the International Society of Prosthetics and Orthotics, February 4-7, Hyderabad, India.

Laboratory Visits:

NUPOC hosted an educational tour for 11th grade students from the Perspectives Charter High Schools (Chicago) on December 5, 2013. R. J. Garrick, PhD, developed this tour in collaboration with Ingrid Masterton, MPT; Feinberg School of Medicine Community Medicine Community Engagement Program (CCEP), the Family Medicine Interest Group (FMIG), and the T. K. Lawless Society.

Meetings:

Stefania Fatone, PhD, BPO(Hons), was an invited keynote speaker at two one-day, multi-disciplinary instructional courses on the “Orthotic Management of Stroke” for the International Society for Prosthetics and Orthotics, Australian National Member Society. She delivered keynotes and workshops in Canberra on November 30 and again in Melbourne on December 3.

Stefania Fatone, PhD, BPO (Hons) was the keynote speaker at the International Society for Prosthetics and Orthotics Australian National Member Society, Annual General Meeting, held in Melbourne, Australia on December 3, 2012.

Thesis Defenses:

Sara Koehler, PhD, successfully defended her doctoral dissertation on November 12, 2012. The title of her thesis was "Neuromechanical Mechanisms of Prosthetic Knee Joint Control: Associations with Prosthetic Alignment”

Grant Awards:

Stefania Fatone, PhD, BPO(Hons) was awarded supplemental funding through the Joint Warfighter Medical Research Program (JWMRP) to supplement work on the DOD funded project “Development of Subischial Prosthetic Sockets with Vacuum-Assisted Suspension for Highly Active Persons with Transfemoral Amputations” (Award #W81XWH-10-0744).

Grant Submissions:

Letter of Intent Submissions:

SENSORY MOTOR PERFORMANCE PROGRAM

Citlali Lopez-Ortiz:

Zev Rymer:
Co-leader and mentor for Training in Grantsmanship for Rehabilitation Research (TIGRR) workshop in Chapel Hill, NC, January 15-19

Attended Australian Neuroscience Society (ANS) 2013 in Melbourne, Australia, February 3-5

Advisory Board Member for Wellcome Trust Innovative Engineering for Health Committee Meeting in London, UK, February 27-28

OTHER FACULTY

Kristi Kirschner:

Jordan Grafman:

Catherine Wilson is selected as the recipient of the 2013 Award for Lifetime Practice Excellence by the American Psychological Association, Division 22 (Rehabilitation Psychology).
