Our community of Half Century Club members from all classes
(Alumni who graduated 50+ years ago)

Everyone is welcome at all Alumni Weekend events.

Greetings to All Northwestern University Medical Alumni:

We're excited to welcome our reunion classes, Half Century Club members, and ALL alumni back to campus for Alumni Weekend 2025, taking place May 2–3! Join your classmates and friends, the Alumni Relations team, the Medical Alumni Association, and medical school leadership in Chicago this spring.

For many alumni, the highlight of returning to campus for Alumni Weekend is reuniting with old friends and classmates. The weekend is filled with opportunities to catch up, share stories, and even expand your professional network. Signature events like Friday's *Celebrate in Chicago* (our all-alumni celebration and dinner) and Saturday's *Reunion Class Dinners* are thoughtfully planned to bring everyone together for meaningful reconnections, fond reflections, and new memories with old and new friends alike.

You'll also have the chance to engage in thought-provoking sessions led by our esteemed faculty and earn *AMA PRA Category 1 Credit(s)™*. Continuing medical education sessions begin bright and early on Friday morning.

Registering **ONLINE** is easy! Visit feinberg.northwestern.edu/alumni/alumni-weekend. Let your friends know you're coming and encourage them to join you!

Registration opens January 6, 2025.

We can't wait to welcome you back to campus in May. Feel free to reach out anytime with questions, whether about Alumni Weekend or anything else related to your experience as an alum of the medical school. Contact us at **312-503-8012** or email medalum@northwestern.edu.

We look forward to celebrating with you in Chicago!

Tour space is limited. Advance registration is required to participate.

Revisit spots from your days as a student and others that may be new to you. Tours are led by staff or faculty with in-depth knowledge of each site.

Northwestern Simulation Center Tour

Observe how medical students, residents, fellows, nurses, and attending physicians use simulation-based education to practice and acquire technical, communication, and team skills. Northwestern Simulation uses state-of-the-art technology and education best practices to train learners to provide safe and effective patient care. The use of the mastery model is an example in which trainees must meet or exceed a predetermined standard in the simulation center prior to working with patients. The center has become one of the hubs of campus life since opening in 2010.

9:15–11:00 am

City Tour

Tour space is limited. Advance registration is required to participate.

City Walking Tour

Enjoy a walking tour through the neighborhoods around Feinberg. From the medical school campus, we will visit Streeterville and learn about its history, from the first permanent settlement in 1799, to the McCormickville neighborhood in the late nineteenth century, to the present. This walk is approximately 1.5 miles on level sidewalks, with one optional staircase, and will take place rain or shine. Please dress accordingly and wear comfortable shoes. This tour will be led by alum Joseph Gugenheim, '72 MD.

10:00–10:45 am

Louis A. Simpson and Kimberly K. Querrey Biomedical Research Center

The Simpson Querrey Biomedical Research Center provides critical space for scientists studying cancer, heart disease, neurodegenerative disorders, diabetes, and other critical areas. Its design features a curved glass exterior with flexible floor plans for laboratories. The tower profile references and updates the soaring traditional Gothic buildings on Northwestern's Chicago campus, presenting a striking profile on the city's skyline and leading the way for future campus development. The design concept aligns with a vision of the Simpson Querrey Biomedical Research Center as a strong connector at the core of a world-class academic medical district and research campus composed of Feinberg, Northwestern Medicine, the Shirley Ryan AbilityLab, and the Stanley Manne Children's Research Institute—the research arm of Ann & Robert H. Lurie Children's Hospital of Chicago.

3:30–4:30 pm

Check into Your Hotel

Please use this time to check into your hotel and get ready for the evening's festivities beginning at 4:30 pm with *Conversations with the Dean*, immediately followed by *Celebrate in Chicago*!

4:30–8:00 pm

Conversations with the Dean and Celebrate in Chicago!

Don't miss this official kickoff to Alumni Weekend. Join Eric G. Neilson, MD, vice president for Medical Affairs and Lewis Landsberg Dean, to hear updates on the medical school and his vision for the future during *Conversations with the Dean*. There will be ample opportunity for questions.

Immediately afterward, gather together with your classmates for an evening of connection and celebration during our *Celebrate in Chicago* event. Join the Medical Alumni Association as we recognize each of our reunion classes and salute the MD Class of 1975—our 50-year class and the newest members of our Half Century Club. Enjoy cocktails, hors d'oeuvres, a dinner and dessert buffet by Gibsons Steakhouse, and even a little dance music, following the Distinguished Alumni Award presentation.

Fun Run/Walk

Meet family, fellow alumni, students, and faculty at the Lake Shore Park Running Track for a relaxed walk or run along Lake Michigan. Everyone is invited, no matter your fitness level! Just go at your own pace. We will start together, synchronize watches, and all meet back in time to enjoy the morning Alumni Weekend Forums.

Pancakes and Perspectives

Get ready for a fun walk down memory lane! Start your day with some morning nourishment and spirited conversation with fellow alumni. During this early morning open mic event, we invite alumni from the 50-year reunion class and beyond to share their perspectives and reflections on their years at the medical school and in the profession since graduation. We welcome ALL alumni to join us for this event.

Complimentary admission for alumni members of the Class of 1975 celebrating their 50th reunion and all Half Century Club members.

8:00–11:30 am

Medical Alumni Association Board of Directors Annual Spring Meeting

By invitation. Medical Alumni Association (MAA) Board members support the MAA's mission—to foster a spirit of loyalty, professional interaction, mentoring, and philanthropy to ensure the continued success of the medical school as a leader in education, research, and patient care—by partnering with your Alumni Relations team, serving as formal representatives of the medical school, and sharing expertise to further medical school projects and programs. This year's Spring Meeting will include the president's update and reports from MAA Board committees. For more information, please call **312-503-8012**.

Neural Mechanisms Underlying Motor Deficits Following a Unilateral Brain Injury: Implications for Innovative Rehabilitation Treatments**

with Julius P.A. Dewald, PT, PhD, chair of the Department of Physical Therapy and Human Movement Sciences and professor of Physical Therapy and Human Movement Sciences, of Biomedical Engineering, and of Physical Medicine and Rehabilitation

The Rise and Fall of Chicago's Lost Medical Schools

In the late nineteenth and early twentieth century, there were more than 400 medical colleges in the United States, with 39 in Illinois. Most of these in the Chicago area have come and gone over the years due to lax requirements and subpar facilities. Discover more about the principles of the medical sects on which many of these now-defunct institutions were founded. These theories and practices are certain to raise eyebrows by today's standards. This forum will be led by alum Joseph Gugenheim, '72 MD.

10:00–11:15 am

AW Forum

Music and Medicine featuring the Northwestern Medical Orchestra**

Enjoy a discussion of Northwestern's Music and Medicine Program founded by Borna Bonakdarpour, MD, associate professor of Neurology in the Division of Behavioral Neurology, and violist and music practitioner Clara Takarabe in May 2021. This program brings clinically oriented music to patients, investigates the efficacy of interventions and their mechanisms of action, and educates the public and trainees. For more information on Dr. Bonakdarpour's work, visit bornacogneurology.com.

This forum will consist of a short talk, Q&A, and performances by chamber musicians from our Northwestern Medical Orchestra (NMO). The NMO was launched in the spring of 2018 by first-year medical students to provide an instrumental musical experience for members of the Northwestern medical community in downtown Chicago. The group now has 100+ members and holds several concerts every year. To learn more about the NMO, please visit sites.northwestern.edu/nmorchestra. A light reception will follow the forum.

Campus Tour

Tour space is limited. Advance registration is required to participate.

Anatomy Lab

On this tour, you will see the Anatomy Lab, the location for all cadaver-based education for students in our medicine, physical therapy, physician assistant, and prosthetics-orthotics programs, plus anatomy courses for a variety of residency programs. The tour will include demonstrations of the educational technology additions to the labs as they relate to the integration of pathology and radiology for the MD anatomy curriculum. There will be access to our modified resource room, including pathology specimen collections and pieces from the Arey-Krantz collection of prenatal and pathological fetal specimens.

12:00–1:30 pm

Commitment to Scholarships Luncheon

By invitation. Celebrating alumni and friends who have demonstrated a commitment to our current and future medical students through the creation of scholarship funds, this annual luncheon provides a special opportunity for donors to meet the students who are benefiting from their generosity. For more information, please call **312-503-0754** or email Olympia Asimacopoulos at olympia1@northwestern.edu.

Reunion Class and Half Century Club Dinners

This will be the perfect finale to your weekend! For those marking a milestone reunion, join your classmates to celebrate. For members of our Half Century Club (all alumni past their 50-year reunion), this is a great time to not only eat, drink, and be merry, but also to share stories, take pictures, and continue to connect with old friends and new. Your dinner and drinks are included in the event fee. Select your class year when registering. Alumni from the Class of 1975 should select their 50-year reunion dinner. If you graduated in 1974 or before, please select the Half Century Club dinner.

Physician Assistant (PA) Program Alumni Dinner

All PA alumni are invited to join this inclusive reunion celebration recognizing the classes of 2015 and 2020. Event fee includes a two-hour open bar and dinner. For more details and pricing, please email paprogram@northwestern.edu.

NEW

Young Alumni Reunion Party at Timothy O'Toole's (Classes of 2006–2024)

Calling all young alumni! Let's celebrate the 2010, 2015, and 2020 reunion classes at Timothy O'Toole's—the spot of late-night hangouts, unforgettable laughs, and the kind of med school stories that only get better with time. Enjoy discounted pricing on this two-hour party with an open bar and delicious appetizers. The fun doesn't stop there—this party is open to ALL young alumni from the classes of 2006–2024, and guests are welcome too. Don't miss this chance to reconnect with old friends and meet new ones! Your Medical Alumni Association is pleased to underwrite a portion of the event fee to make this celebration affordable for our young alumni, including complimentary parking across the street from Timothy O'Toole's and a Lyft discount code for those using rideshare.
