## Engaging With Your Medical Alumni Association

---

Dear Alumni,

Hello from your Alumni Relations team! We would love for you to stay connected with Northwestern and your Medical Alumni Association (MAA) community. Participating in our events and programming or becoming involved with the Medical Alumni Association Board committees are just a few of the ways to stay engaged. We host a variety of alumni activities across the country each year and invite you to come and say hello. You also can enjoy our robust program of virtual events from the comfort of your own home. Tune in with us to learn about cutting-edge research and innovations from top Northwestern faculty leaders.

Share your stories: Keep us up to date on your professional and personal pursuits so that we can share these updates with your fellow alumni. If you have moved, or have a new email, phone number, or business affiliation, let us know so that we can update your records to ensure that you receive exclusive invitations to our rotating regional events.

As you read through our many ways to stay engaged, please reach out if you would like additional information. Ready to get involved and help us further grow our alumni community? We look forward to hearing from you!

# CONNECT WITH FELLOW ALUMNI

[feinberg.northwestern.edu/connect-with-alumni](https://feinberg.northwestern.edu/connect-with-alumni)

## Attend Alumni Events »

Each year, we hold events in Chicago and across the United States. Join us each winter and spring in Naples, Florida, and Mesa, Arizona, for special events featuring our hospital partners and a Cubs Spring Training game. Of course, we also invite you to come back to Chicago each spring for the MAA's cornerstone event, Alumni Weekend! This is a festive, two-day celebration focused on reconnecting with former classmates, meeting new friends, and engaging with all of us at the medical school. Open to all alumni, EVERY YEAR!

## MAA Virtual Event Series

Faculty present on their cutting-edge work on topics ranging from heart health, Parkinson's disease and exercise, artificial intelligence, and digital health to scholarships and medical education. Have a topic you're interested in? Let us know!

## Host an Event in Your City

Bring Feinberg to your community. Host a gathering in your home, at a restaurant, or in an event space and help build a network of alumni in your area. We'll support you with planning and logistics.

## Participate in a Medical Alumni Association Board Committee

Northwestern's Medical Alumni Association (MAA) Board brings together alumni who share a commitment to loyalty, professional camaraderie, mentoring, and philanthropy. If you would like to help advance Feinberg's mission in education, research, and patient care, please consider becoming involved with one of our board committees. Committees meet throughout the year and welcome all alumni and student participants.

For more information on MAA Board committees, please contact Allison Glibowski at [allison.glibowski@northwestern.edu](mailto:allison.glibowski@northwestern.edu).

For more information on alumni events, please contact Babette Henderson at [babette.henderson@northwestern.edu](mailto:babette.henderson@northwestern.edu).

## Get Involved in Our Half Century Club

The Half Century Club (HCC) recognizes our alumni who graduated 50+ years ago. HCC members receive invitations to exclusive alumni gatherings, special Alumni Weekend programming, and discounted or early registration opportunities. Membership is automatic!

## Have Coffee and Conversations

This quarterly virtual series is an exclusive opportunity for HCC members to reconnect with fellow alumni, share their experiences, and enjoy meaningful conversations. Often featuring some of Feinberg's distinguished faculty, these relaxed sessions offer the opportunity to learn and ask questions about the incredible research being done at Northwestern.

# CONNECT WITH STUDENTS

[feinberg.northwestern.edu/connect-with-students](https://feinberg.northwestern.edu/connect-with-students)

## Alumni Physicians, Physician Assistants, Physical Therapists, and NUPOC of Feinberg

Connect with students in a small group setting and have a candid conversation about the life of a healthcare professional. In these student-led conversations, share your experiences, insights on your specialty choice, and how to balance work, family, and life.

## Dinners with a Doc

Host a casual dinner with a small group of students to talk about careers, challenges, and life in medicine, all while developing lasting mentoring relationships.

## Women in White Coats

This largely virtual series features accomplished physicians who share their journeys in medicine, leadership, and life, offering inspiration and mentorship to all members of the Feinberg community.

## Additional Mentoring Opportunities

### Northwestern Network Mentorship Program

Meaningful mentor/mentee relationships for students and alumni across all career stages.

### Mentor Circles

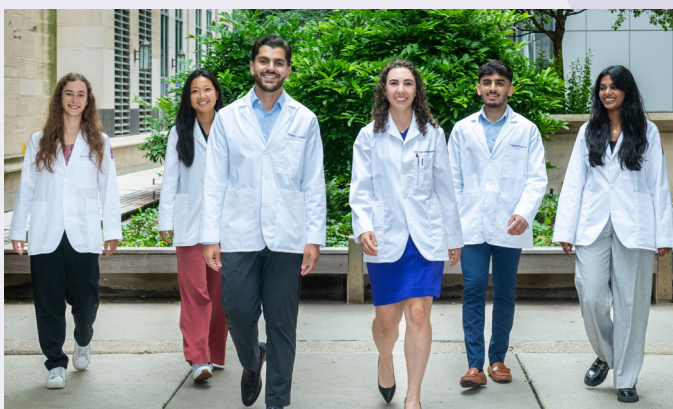

Through mentor circles, alumni can mentor small groups of students and alumni for a one-time or recurring discussion on a professional subject of their choosing.

### Northwestern Externship Program (NEXT)

Host a Northwestern student for a one-day job shadowing experience. Alumni registration opens in the fall of each year.
