

NORTHWESTERN UNIVERSITY
FEINBERG SCHOOL OF MEDICINE

Celebrate
IN CHICAGO

ALUMNI WEEKEND
2020

FRIDAY, APRIL 24
SATURDAY, APRIL 25

Welcoming ALL Medical School Alumni
back to campus!

Come back to learn, reminisce, and reconnect.

Reunion Celebrations

1955 1960 1965 1970 1975 1980

1985 1990 1995 2000 2005 2010 2015

Greetings to All Northwestern University Feinberg School of Medicine Alumni:

We invite you to join the Alumni Relations team, the Medical Alumni Association, and medical school leadership, along with your friends and classmates, on the medical campus this spring for Alumni Weekend 2020 (April 24–25).

If you have attended Alumni Weekend before, but not for a few years, we have added some new events—networking opportunities, lectures, Chicago tours, and more. If you have never attended Alumni Weekend, make this your time to start—especially if it is your reunion year.

Of course, for most alumni, the best part of returning to campus for Alumni Weekend is reconnecting with old friends and classmates. There is ample opportunity to do just that throughout the weekend, with many occasions to share laughs and memories and even network professionally with one another. The All Alumni Celebration and Dinner on Friday night and Reunion Class Dinners on Saturday night are two touchstone events designed for reconnecting and reminiscing in mind.

In addition, there are plenty of opportunities to learn. Take full advantage of presentations by our renowned faculty and earn *AMA PRA Category 1 Credit(s)*[™].

The continuing medical education sessions kick off Friday morning. There will also be in-depth tours of the hospitals and several laboratories, along with mentoring sessions.

Registering online is easy at feinberg.northwestern.edu/alumni/alumni-weekend. You have the option to include your name on our registrant list that appears on the site, so that your friends will know that you will be in attendance, and so that you can see who else is coming!

We hope to see you on campus in April. Keep in touch, and please do not hesitate to contact the Alumni Relations team with questions about the weekend or anything else related to your experience as an alumnus/a of the medical school. Call or email—**312-503-8012** or medalum@northwestern.edu with questions.

THURSDAY

5:30–7:00 pm Networking Reception

Method Atrium (320 East Superior Street)

Enjoy wine, cheese, and stimulating conversation with current students and fellow alumni at this casual networking gathering. Our students are eager to meet and learn from you! This is also a great opportunity to ask them about the many exciting changes in the medical school curriculum. Hosted by your Medical Alumni Association's Mentoring Committee.

5:30–8:30 pm Late Night Morning Report and Dinner

Join Lewis Landsberg, MD, the Irving S. Cutter Professor of Medicine Emeritus and dean emeritus, with current chief residents in the Department of Medicine, for a lively and interactive discussion of a current case and the best diagnostic and treatment options. Following the case, join fellow alumni, current faculty, residents, and fellows for cocktails and dinner and enjoy sharing some of your favorite moments from training. Hosted by the Landsberg Society, an alumni organization largely comprised of former Department of Medicine residents and fellows. Visit medicine.northwestern.edu/landsbergmorningreport or call 312-908-1892 for details. Location near campus to be announced.

FRIDAY

8:00 am–6:00 pm Check-in and Registration

Robert H. Lurie Medical Research Center (303 East Superior Street)—Your Alumni Weekend and reunion class headquarters.

MEET IN 303

Make Robert H. Lurie Medical Research Center
(303 East Superior Street)

your first stop on campus to pick up registration materials.

Plan to return throughout each day to connect with classmates,
enjoy refreshments, access Wi-Fi, and more.

Consider Lurie your Alumni Weekend headquarters!

Alumni Weekend (AW) Forums

These sessions offer an opportunity to hear from our stellar medical school faculty and staff, as well as a chance to network with fellow alumni and students. Choose from a variety of offerings: health and wellness hot-button issues; the latest in cutting-edge, bench-to-bedside, basic science, and clinical research; and timely topics of general, personal, and professional interest. ***Indicates that the session has been approved for AMA PRA Category 1 Credit™*

9:00–9:45 am AW Forums

- **Brain Aging in the Days of Alzheimer's Disease****
with Marsel Mesulam, MD, the Ruth Dunbar Davee Professor of Neuroscience and director of the Mesulam Center for Cognitive Neurology and Alzheimer's Disease
- **Global Health, Academic Institutions, and the Sustainable Development Goals****
with Robert L. Murphy, MD, '81 GMER, '84 GMEF, executive director of the Institute for Global Health and director of its Center for Global Communicable Diseases, the John Philip Phair Professor of Infectious Diseases, and professor of Medicine in the Division of Infectious Diseases and Biomedical Engineering in the McCormick School of Engineering
- **Navigating the Medical School Admissions Process: What Makes a Great Candidate in Today's Environment**
with Roopal V. Kundu '97, '01 MD, '02 GMER, associate dean for Admissions, the Jacob R. Suker, MD, Professor of Medical Education, and associate professor of Dermatology and Medical Education

9:00–10:00 am**Campus Tours**

Revisit spots from your days as a student and others that may be new to you. Tours are led by staff or faculty with in-depth knowledge of each site.

- **Anatomy Lab**

On this tour, you will see the Anatomy Lab, the location for all cadaver-based education for students in our medicine, physical therapy, physician assistant, and prosthetics-orthotics programs, plus anatomy courses for surgical residents in orthopaedic surgery, otolaryngology—head and neck surgery, and rehabilitation medicine. The lab also houses the Arey-Krantz collection of prenatal and pathological fetal specimens.

- **Northwestern Simulation Center**

On this tour, you will observe how medical students, residents, fellows, nurses, and attending physicians use simulation-based education to practice and acquire technical, communication, and team skills. Northwestern Simulation uses state-of-the-art technology and education best practices to train learners to provide safe and effective patient care. The medical school uses the mastery model, in which trainees must meet or exceed a predetermined standard in the simulation center prior to working with patients. The center has become one of the hubs of campus life since opening in 2010.

**10:00–10:45 am****AW Forums**

- **Advances in Breast Cancer Treatment****

with William J. Gradishar, MD, the Betsy Bramsen Professor of Breast Oncology, professor of Medicine, chief of Hematology/Oncology, director of the Maggie Daley Center for Women's Cancer Care, and deputy director of the Clinical Network in the Robert H. Lurie Comprehensive Cancer Center of Northwestern University

- **Personalized Neurology: Development of Targeted Therapies for Neurodegenerative Diseases****

with Dimitri Krainc, MD, chair of the Ken and Ruth Davee Department of Neurology, director of the Center for Neurogenetics, the Aaron Montgomery Ward Professor, and professor of Neurology in the Division of Movement Disorders and of Neurological Surgery and Physiology

- **Planning for the Future: What Will Your Legacy Be?**

In this session, we will discuss ways that you can support your alma mater, while also achieving personal and financial goals. Come learn about arrangements that create a lifetime income stream, offer tax benefits, and leave a legacy for faculty and students. This session will be led by Camille Licklider, JD, executive director for Gift Planning, and also will feature one of your fellow alumni. Bring your questions and ideas.

**10:00–11:45 am****Hospital Tours**

These tours will provide an in-depth look at a specific area of clinical care in each hospital.

- **Ann & Robert H. Lurie Children's Hospital of Chicago**

Visit the largest pediatric provider in the region, which delivers superior pediatric care in a setting that offers the latest benefits and innovations in medical technology, research, and family-friendly design. The hospital is regionally ranked as the No. 1 children's hospital. This tour will be led by alumnus Irwin Benuck, '79 MD, '82 GMER, PhD, a medical school faculty member and clinician at Lurie Children's Hospital.

- **Northwestern Memorial Hospital**

Northwestern Memorial is an 894-bed academic medical center that is the primary teaching affiliate for the Feinberg School of Medicine with nearly 1,900 affiliated physicians representing virtually every medical specialty. The hospital is ranked No. 1 in Chicago and Illinois, as well as No. 10 in the nation, according to *U.S. News & World Report's* 2019–2020 Honor Roll of "America's Best Hospitals." Northwestern Memorial is recognized for providing exemplary patient care and innovative advancements in a variety of clinical areas, including cardiovascular care, oncology, neurology and neurosurgery, solid organ and soft tissue transplants, orthopaedics, and women's health at Prentice Women's Hospital.

****SESSIONS QUALIFYING FOR CME CREDIT**

Learning Objective: Increase attendees' knowledge and competence in delivering evidence-based, patient-centered care.

Target Audience: Alumni of Northwestern University Feinberg School of Medicine.

Accreditation Statement: Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education to physicians.

Credit Designation Statement: Northwestern University Feinberg School of Medicine designates this live activity or a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

11:00–11:45 am

AW Forums

- **How Precision Medicine and Artificial Intelligence Are Changing the Way Diseases Are Diagnosed****
with Daniel J. Brat, MD, PhD, chair of the Department of Pathology and the Magerstadt Professor of Pathology
- **Understanding and Addressing the Unique Needs of Bisexual Individuals in the Domains of Mental Health, Substance Abuse, and Sexual Health****
with Brian A. Feinstein, PhD, research assistant professor, Institute for Sexual and Gender Minority Health and Wellbeing
- **That Was Then, This Is Now: Who's Who in the Northwestern Neighborhood... The Historical Names Behind the Buildings**
with alumnus Joseph Gugenheim, '72 MD

12:00–1:30 pm

Mentoring Lunch with Feinberg Students and Fellow Alumni

Want to be a mentor? Eager to network with fellow alumni who share your professional interests? If so, this lunch is for you. Enjoy a relaxed buffet lunch with our students, share your insights, and hear others' perspectives on the healthcare profession and various career paths (those taken and those that you are curious about) during this structured yet casual session.

1:45–3:15 pm

Conversations with the Dean

Join Eric G. Neilson, MD, vice president for Medical Affairs and Lewis Landsberg Dean, to hear updates on the medical school and Dean Neilson's vision for the future. There will be ample opportunity for questions and answers.

3:30–4:15 pm

AW Forums

- **A Contemporary View of Heart Failure: What All Doctors Should Know****
with Clyde W. Yancy, MD, MSc, vice dean of Diversity and Inclusion, the Magerstadt Professor, and chief of the Division of Cardiology
- **Discoveries and Trends in Modern Ophthalmologic Care****
with Nicholas J. Volpe, MD, chair of the Department of Ophthalmology and the George W. and Edwina S. Tarry Professor of Ophthalmology
- **Health Inequities and Disparities and Lifting Health for All****
with Melissa A. Simon, MD, founding director of the Center for Health Equity Transformation, vice chair for Clinical Research in the Department of Obstetrics and Gynecology, the George H. Gardner, MD, Professor of Clinical Gynecology, and professor of Obstetrics and Gynecology in the Division of General Obstetrics and Gynecology and of Preventive Medicine and Medical Social Sciences

3:30–4:15 pm

Building Tour**Louis A. Simpson and Kimberly K. Querrey Biomedical Research Center**

This new center provides critical space for scientists investigating cancer, heart disease, neurodegenerative disorders, diabetes, and other critical areas of study. The building design features a curved glass exterior with flexible floor plans for laboratories. The tower profile references and updates the soaring traditional Gothic buildings on Northwestern's Chicago campus, presenting a striking profile on the city's skyline and leading the way for future campus development. The design concept aligns with a vision of the Simpson Querrey Biomedical Research Center as a strong connector at the core of a world-class academic medical district and research campus composed of the Feinberg School of Medicine, Northwestern Medicine, the Shirley Ryan AbilityLab, and the Stanley Manne Children's Research Institute—the research arm of the Ann & Robert H. Lurie Children's Hospital of Chicago.

3:30–4:30 pm

Student-Led Medical Campus Tour for Alumni and Their Prospective Applicants

Tour the medical campus and find out what it is like to be a medical student at Feinberg today. Some of the tour highlights include the McGaw Building (the active learning classroom spaces), the Ward Building (Office of Medical Education, the Galter Health Sciences Library and Learning Center, the Office of MD Admissions, and the Office of Diversity and Inclusion), the Louis A. Simpson and Kimberly K. Querrey Biomedical Research Center (student lounge area), and other places of interest on the medical campus. Alumni and prospective applicants are welcome to attend but **tour space is limited, and advanced registration is required to participate in the tours.**

3:30–5:15 pm

Women in Medicine Tea at the Historic Drake Hotel

Enjoy high tea at the Drake Hotel with finger sandwiches, fruit breads, scones, and French pastries. We welcome Northwestern Medicine's women in medicine (MDs, nurses, scientists, physical therapists, and physician assistants) to this interactive session.

Hospital Tour**Shirley Ryan AbilityLab (formerly the Rehabilitation Institute of Chicago)**

Join us for a tour of the flagship hospital, the Shirley Ryan AbilityLab, the No. 1 ranked rehabilitation hospital in the country according to *U.S. News & World Report*. Experience one of the five ability labs, where investigators and clinicians work side-by-side practicing translational medicine. These novel labs are organized by functional outcome (legs + walking, think + speak) rather than by diagnosis (stroke, brain injury, etc.). They are designed to speed the application of research to advance clinical care and improve patient outcomes.

4:15–5:00 pm

Building Tour**Louis A. Simpson and Kimberly K. Querrey Biomedical Research Center**

See Friday at 3:30 pm for a description of this tour.

5:30–8:00 pm

Celebrate in Chicago!

Don't miss this official kickoff celebration to Alumni Weekend. Meet up with your classmates, salute the milestone reunion classes, and gather for the Distinguished Alumni Award presentation. Enjoy cocktails, passed hors d'oeuvres, a dinner and dessert buffet by Gibson's Steakhouse, and even a little dance music. This is your chance to catch up with fellow alumni, medical school leadership, and national alumni board members.

8:00 pm

Young Alumni After Party

After the Celebrate in Chicago event, join us for a nightcap at the Young Alumni After Party at Timothy O'Toole's (622 North Fairbanks Court). All alumni from the classes of **2005–2019** are invited to mix and mingle at a special young alumni gathering. Come swap stories, celebrate with classmates and mentors, and make new friends. **Complimentary admission includes one drink ticket per person.** As always, guests and spouses are welcome (guests also must register). *Please note: You do not have to attend Celebrate in Chicago to attend the Young Alumni After Party. Your drink ticket will be provided to you at registration.*

8:00 am–1:00 pm

Late Check-in and Registration

Robert H. Lurie Medical Research Center (303 East Superior Street)—Your Alumni Weekend and reunion class headquarters.

8:00–9:00 am

Fun Run/Walk

Meet family, fellow alumni, students, and faculty at the Lake Shore Park Running Track for a relaxed walk or run along Lake Michigan. Everyone is invited, no matter your fitness level! Just go at your own pace. We will start together, synchronize watches, and all meet back in time to enjoy the morning Alumni Weekend Forums.

Yoga

Join Northwestern alumna Suzanne Semanson, '06 DPT, for a very special yoga class. Dr. Semanson brings more than 20 years of experience in movement-related arts, including dance, martial arts, and yoga, to her specialty. She has provided backstage physical therapy care to several Broadway productions and dance companies in New York City. Dr. Semanson is a physical therapist from the Harkness Center for Dance Injuries at NYU Langone Health Center. *Please note: We have a limited number of mats available for use. If possible, bring your own mat.*

8:00–9:00 am

Pancakes and Perspectives Breakfast

Come early for some morning nourishment and lively conversation with fellow alumni. There will be an open mic for alumni from the 50-year reunion class and beyond to share their perspectives and reflections on their years at the medical school and in the profession since graduation. **Complimentary admission for alumni members of the Class of 1970, celebrating their 50th reunion.**

8:30–11:30 am

Medical Alumni Association Board of Directors Annual Spring Meeting

Medical Alumni Association (MAA) Board members support the mission of the Association—to foster a spirit of loyalty, professional interaction, mentoring, and philanthropy to ensure the continued success of the medical school as a leader in education, research, and patient care—by partnering with your Alumni Relations team, serving as formal representatives of the medical school, and sharing their expertise to further medical school projects and programs. For more information, please call 312-503-8012.

9:00–9:45 am

AW Forum

■ **Exercise and Its Myriad Benefits for Parkinson’s Disease****

with Daniel M. Corcos, PhD, professor of Physical Therapy and Human Movement Sciences

9:15–11:00 am

City Walking Tour

Enjoy a walking tour through the neighborhoods around Feinberg. From the medical school campus, we will visit Streeterville and learn about the history from the first permanent settlement in 1799 and the McCormickville neighborhood in the late nineteenth century to the present. This tour will be led by alumnus Joseph Gugenheim, '72 MD.

9:30 am and 11:00 am

Northwestern University Evanston Information Sessions & Campus Tours

Are you the parent of a student who is interested in attending Northwestern University as an undergraduate? This tour is a great first step for your college-bound teenager to learn more about Northwestern University.

These 45-minute information sessions, led by an admissions counselor, provide an overview of the University and its six undergraduate schools, student life, financial aid, and the application process, with time for a question/answer session at the end. A student-led tour departing from the Segal Visitors Center immediately follows most information sessions, weather permitting. *Space is limited.* To register for the information session and campus tour please visit: admissions.northwestern.edu/visit/plan-your-visit/info-sessions-and-tours.html

10:00–10:45 am

AW Forum

■ **Precision Medicine: Are We There Yet?***

with Minoli Perera, PharmD, PhD, associate professor of Pharmacology

12:00–1:30 pm

Commitment to Scholarships Luncheon

By invitation. Celebrating alumni and friends who have demonstrated a commitment to our current and future medical students through the creation of scholarship funds, this annual luncheon is an opportunity for donors to meet the students who are benefitting from their generosity. For more information, please call 312-503-0754.

A Taste of Chicago Lunch

If you are not attending the Commitment to Scholarships Luncheon (by invitation), this relaxed lunch featuring Chicago food favorites is a great alternative. This event is another informal gathering that offers an opportunity to meet and talk with students and network with fellow alumni and their families.

1:00–2:30 pm

Chicago Architecture Foundation Bus Tour

See Chicago's expansive downtown parks, plus emerging residential neighborhoods and commercial developments. Learn how both humans and nature have impacted the development of the city and hear stories about the architects, developers, civic planners, and city leaders who played key roles in shaping the city. You will travel the famous routes of Lake Shore Drive, Michigan Avenue, and Wacker Drive. *Space is limited.*

2:00–3:30 pm

Museum of Contemporary Art Tour

Enjoy a private tour led by an artist guide and designed to navigate the concepts, methods, materials, and ideas that contemporary artists incorporate into their work. The tour will emphasize discovery, interpretation, and conversation.

360 Chicago and TILT

Located on the 94th floor of the historic (former) John Hancock Center in the heart of downtown Chicago, 360 CHICAGO offers breathtaking views of the city and Lake Michigan from over 1,000 feet above the Magnificent Mile. Explore interactive panoramic touchscreens in seven languages, and don't forget to try TILT—an exhilarating, one-of-a-kind attraction that literally tilts visitors to a 30° angle over Michigan Avenue.

2:45–4:15 pm

Chicago Architecture Foundation Bus Tour

See Saturday at 1:00 pm for a description of this tour. *Space is limited.*

5:00–7:00 pm

Nathan Smith Davis Society Reception

By invitation. Our annual event for Nathan Smith Davis Society members. Members include alumni, faculty, staff, and friends who have made leadership philanthropic contributions during our current and previous fiscal years, as well as individuals who provided significant volunteer service to the school during that time. Please visit feinberg.northwestern.edu/nsds or call 312-503-3459 for more information on joining the Nathan Smith Davis Society. Our fiscal year runs from September 1 to August 31.

7:00–9:00 pm Reunion Class Dinners

This will be the perfect finale to your weekend. Join your classmates to celebrate your reunion. It is a great time to not only eat, drink, and be merry, but also to share stories, take pictures, and continue to connect with old friends and new. Your dinner and drinks are included. Locations near campus—visit feinberg.northwestern.edu/alumni/alumni-weekend or call 312-503-8012 for details. *Locations to be announced and determined by registration numbers.*

Young Alumni Reunion Class Dinners

For alumni in the classes of 2005, 2010, and 2015, we are offering discounted pricing for your reunion class dinners. The discounted price includes a two-hour open bar and dinner. Locations near campus—visit feinberg.northwestern.edu/alumni/alumni-weekend or call 312-503-8012 for details. *Locations to be announced and determined by registration numbers.*

Physician Assistant (PA) Program Alumni Dinner

A celebration of the PA Class of 2015's five-year reunion, and the ten-year anniversary of the first PA class's matriculation in 2010.

All PA alumni from the Classes of 2012–2019 are invited to join together for this all reunion celebration. The discounted price includes a two-hour open bar and dinner. Location near campus. For more details, please call 312-503-1474.

Rooms have been blocked at various local hotels at discounted rates. Please mention **Northwestern University Feinberg School of Medicine Alumni Weekend** when you make your reservation and book early to ensure availability. **Rates are guaranteed until March 24, 2020, or until the room blocks sell out.**

To book your Alumni Weekend hotel reservation online at one of these locations, go to feinberg.northwestern.edu/alumni/alumni-weekend and click on the “2020 Travel and Accommodations” tab on the menu located in the center of the page.

Accessibility

All Alumni Weekend events are accessible to those requiring mobility assistance. For special accommodations, please call **312-503-8012** or email medalum@northwestern.edu.

Parking

Complimentary parking for the weekend is available on campus in the garage at 222 East Huron Street, on the corner of Huron Street and North Saint Clair Street (Huron Superior Parking Lot). Parking passes for the garage are available at registration. *Please note: You may park in the garage before obtaining your parking pass at registration.*

REGISTRATION OPENS JANUARY 2

Online registration is the quickest, most efficient, and preferred method to sign up for Alumni Weekend activities. Register by **February 29** to take advantage of significant savings (see pricing below). Once registered, you will be able to let your classmates know that you are coming for the weekend—and in turn, see who will be joining you from your class.

A link to online registration and detailed descriptions of all events are available at feinberg.northwestern.edu/alumni/alumni-weekend.

If you would like a printed registration form, please call 312-503-8012.
