

# MEDICAL STUDENT POLICY

Title: <b>Education-Centered Medical Home (ECMH) Requirements for Research Intensive Scholarly Emphasis (RISE) Students</b>	
Relevant LCME Element(s):	Last approved: <b>5/6/2026</b>

## I. PURPOSE

Outlines Phase 2/3 ECMH requirements that can be completed during the RISE year.

## II. PERSONS AFFECTED:

Medical students, ECMH Directors

## III. POLICY AND PROCEDURE STATEMENT

Students who complete 8 ECMH visits during their RISE year and notify the ECMH Program Administrator upon completion will have 1 ECMH site visit decreased from their total site visit requirement in their subsequent ECMH phase (Phase 2 or Phase 3).

Students are encouraged to seek feedback from their ECMH preceptors during the RISE year. However, EPA requirements for Phase 2 and Phase 3 may not be completed during the RISE year.

*EPA = Entrustable Professional Activity (brief evaluation by faculty/resident/senior student)*
