

CLP CORE EXPO

Tuesday, October 15th | 11:00 AM – 1:00 PM
Ryan Family Atrium, Lurie Medical Research Building

Advance your research by learning about instrumentation and services

Biological Imaging Facility

Center for Molecular Innovation and Drug Discovery

Recombinant Protein Production Core

Proteomics

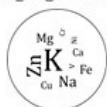

Developmental Therapeutics Core

High Throughput Analysis Lab

Quantitative Bio-element Imaging Center

Center for Advanced Molecular Imaging

NU GoKidney

Tuesday, October 15th
11:00 AM – 1:00 PM
Ryan Family Atrium
Lurie Medical Research Building

Prizes
Coffee & Donuts
Free Consultations

Join Us at the CLP Core Expo

Tuesday, October 15th
11:00 AM – 1:00 PM
Ryan Family Atrium
Lurie Medical Research Building

Learn about the 8 CLP Core Facilities and the George M. O'Brien Kidney (NU GoKidney) Research Core Center. Facility managers and staff will showcase their innovative biomedical expertise, research and services available to all researchers in greater Chicago. Learn how the centers and cores work together to advance potential therapeutics and diagnostics from the early stages of discovery through pre-clinical testing while also earning tickets for **raffle prizes** and **refreshments**.

Please RSVP so we can have enough food on hand and can provide you with event updates - <https://clp-core-expo-2019.eventbrite.com>

This event is brought to you by the following sponsors:
