Mather

New Publication from ARCC Partners Pastors 4 PCOR

[ARCC Seed Grantees](#) and 2017 [ARCC Award Winner, Pastors 4 PCOR](#) including ARCC staff & CCH Faculty Member [Rebecca Johnson](#), have recently published an [article](#) in [Progress Community Health Partnerships](#) entitled Community-Initiated Research Engagement: Equitable Partnership Delivering Research-Ready Faith-Based Ambassadors. This article describes their community-academic collaboration initiated by African American faith-based church leaders to foster equitable partnership, engagement and shared decision making in patient-centered health research initiatives. The article also shares their lessons learned and how collaborative governance and shared goal setting delivers research engagement which supports the data needs and aspirations of faith-based communities. [Click here to learn more about their current funding from the Patient-Centered Outcomes Research Institute to building a faith-based Community Support HUB for Connecting Patients, Stakeholders and Researchers.](#)

July 31st Virtual Evaluation Training: Evaluation and Equity

Friday, July 31, 2020

10:30 AM - 12:00 PM

Evaluation and Equity is a workshop which will combine presentation of best practices with robust discussion around incorporating equity into the design of evaluations as well as using evaluation to work for health equity. This workshop is meant to provide a starting point for conversation and to begin our thinking together.

Click [HERE](#) to register.

This training will be co-presented by Sarah Welch, Director of Evaluation Research in Northwestern's [Buehler Center for Health Policy and Economics](#) and two community co-presenters, Deniene Willis, Founder of [Trusty Cup Productions](#), and Lorenzo Webber, [Proviso Partners for Health \(PP4H\)](#) & Assistant Director of Youth Programming for Proviso Township.

This session is part of an evaluation training series with co-partnership with the [Alliance for Research in Chicagoland Communities \(ARCC\)](#) of the [Center for Community Health \(CCH\)](#).
