Alliance for Research in Chicagoland Communities

ARCC 10th Anniversary Celebration & Town Hall
Moving Community & Equity Driven Research Forward

Tuesday, October 30, 2018 9:30 am-1:30 pm
Lawndale Christian Conference Center
3750 W Ogden Ave, Chicago, IL

Join for meaningful community & academic engagement across the research spectrum to improve health equity.

Invite open to all Chicagoland community (community, faith, patient, public) & academic stakeholders (Northwestern faculty, staff, trainees/students).

Help cheer ARCC’s first 10 years & give input on next 10.

Learn about funding opportunities. Time for networking. Enjoy live performance, tasty food & drink!

Details: www.ARRCOnline.net  RSVP: ARCC@northwestern.edu
Center for Community Health (CCH) Principles of Engagement

Collaboration ◊ Respect ◊ Equity ◊ Transparency ◊ Impact

As part of the Northwestern University Clinical and Translational Sciences (NUCATS) Institute and the Institute for Public Health & Medicine (IPHAM), CCH offers a new vision for engaging communities and other stakeholders for research that improves the health and healthcare of Chicago and beyond.

How can CCH help you?

- Partnership brokering and development for community-academic research teams including patient, clinician, and community stakeholder engagement
- Workshops, seminars, and online resources for team training, faculty development, community capacity-building
- Funding opportunities (including partnership development and research seed grants)
- Consultations/technical assistance for design and implementation of community-engaged/based projects including research proposal review and support (individual or group consultation (Stakeholder Academic Resource Panels (ShARPs)

Upcoming Events & Resources

Dec 4: Institute for Public Health & Medicine Town Hall Forum. Keynote Speaker: Sandro Galea, Dean of Boston University School of Public Health. Will also include poster session (Call for Abstracts released soon), community partner showcase, awards ceremony, & breakout sessions.

ARCC 2019 Seed Grant Program: The seed grants support the development of community-engaged research partnerships and projects between Chicagoland communities and Northwestern University academic teams. Request for Applications will be released Fall 2018.
