

Attention all Researchers, Evaluators, and Community Partners interested in collaboration with Chicago Public Schools or Evanston Schools on issues of Health & Wellness

Join us for this **Workshop:**

Guidance on Policy, Priority Areas, & Resources for Conducting Health & Wellness Research with Chicago Public Schools & Evanston School Districts

FEBRUARY 28, 2019, 1:30 - 4:00 PM

LOCATION TBD

The session will cover:

- » Policies & procedures for conducting research in [Chicago Public Schools](#) (CPS) & Evanston schools, including overview of CPS Research & Review Board process, requirements & timelines for collaboration
- » Research & evaluation priorities for CPS offices working on health-related issues
- » Resources available to support research collaborations (e.g. data sharing, grants, partnership support through [Northwestern's School of Education & Social Policy's Office of Community Education Partnerships \(OCEP\)](#) and [Feinberg School of Medicine's Alliance for Research in Chicagoland Communities \(ARCC\)](#))
- » Examples of previously successful research/evaluation partnerships
- » Questions & Answer session with CPS, Evanston, and Northwestern representatives

Session speakers will include representatives from the CPS Research and Review Board, Office of Student Health and Wellness, and Office of Social & Emotional Learning and Northwestern's Office of Community Education Partnerships and Alliance for Research in Chicagoland Communities.

Please RSVP & submit questions in advance to: ARCC@northwestern.edu Details: <https://bit.ly/2QJoW27>
