

Discussion Questions

Common Core Suggestions: Speaking and Listening

- *Have students turn and talk with a partner or group about the questions below or assign groups of students (3-4 student per group) a question and have them present their findings to the class.*

1. What is your favorite food?
2. What is a food allergy?
3. Do you know anyone with food allergies? What allergies do they have?
4. Can you always see the allergens in a food?
5. Draw a picture of someone having an allergic reaction. Underneath your drawing, describe what is happening.
6. Should we share food with someone with a food allergy?
7. What should we do if one of our friends is having an allergic reaction?
