

DGP Student Emergency Fund Application Form

The DGP Student Emergency Fund exists to provide additional stipend to DGP students in the event of financial emergencies. It is not meant to be used as an additional source of funding for ongoing needs. We ask that students exhaust all other avenues of financial support before applying to the fund, including family, university, or government resources. Requests for DGP emergency funds may include, but are not limited to, urgent medical or housing needs. DGP students currently active and in good standing in the program are eligible to apply for funds. Students can request up to \$2500 in one twelve month period. Please send completed form to pamela.carpentier@northwestern.edu.

Please note that this fund is donor-supported and so funds may be limited or unavailable at times. Funds will be distributed based on need and availability on a first-come, first-serve basis.
