PATIENT-CENTERED OUTCOMES RESEARCH INSTITUTE

PCORI's Mission and Vision

- ▶ PCORI is an independent, non-profit health research organization authorized by The Patient Protection and Affordable Care Act of 2010
- ▶ PCORI funds and shares research that compares the clinical effectiveness of various choices that patients and healthcare providers have when selecting care

Mission

PCORI helps people make **informed healthcare decisions** and **improves healthcare delivery and outcomes** by producing and promoting **high integrity, evidence-based information**

guided by patients, caregivers, and the broader healthcare community.

Vision

Patients and the public have information they can use to **make decisions** that reflect their **desired health outcomes**.

Why PCORI?

- ▶ Research has not answered many questions patients face
- ▶ People want to know which treatment is right for them
- ▶ Patients need information they can understand and use

Our Focus

Comparative Clinical Effectiveness Research

- ▶ Patient-centered
- ▶ Answering questions that matter to patients and other clinical decision makers
- ▶ Comparisons of outcomes that matter to patients

Our National Priorities for Research

Assessment of Prevention, Diagnosis, and Treatment Options

Improving Healthcare Systems

Communication & Dissemination Research

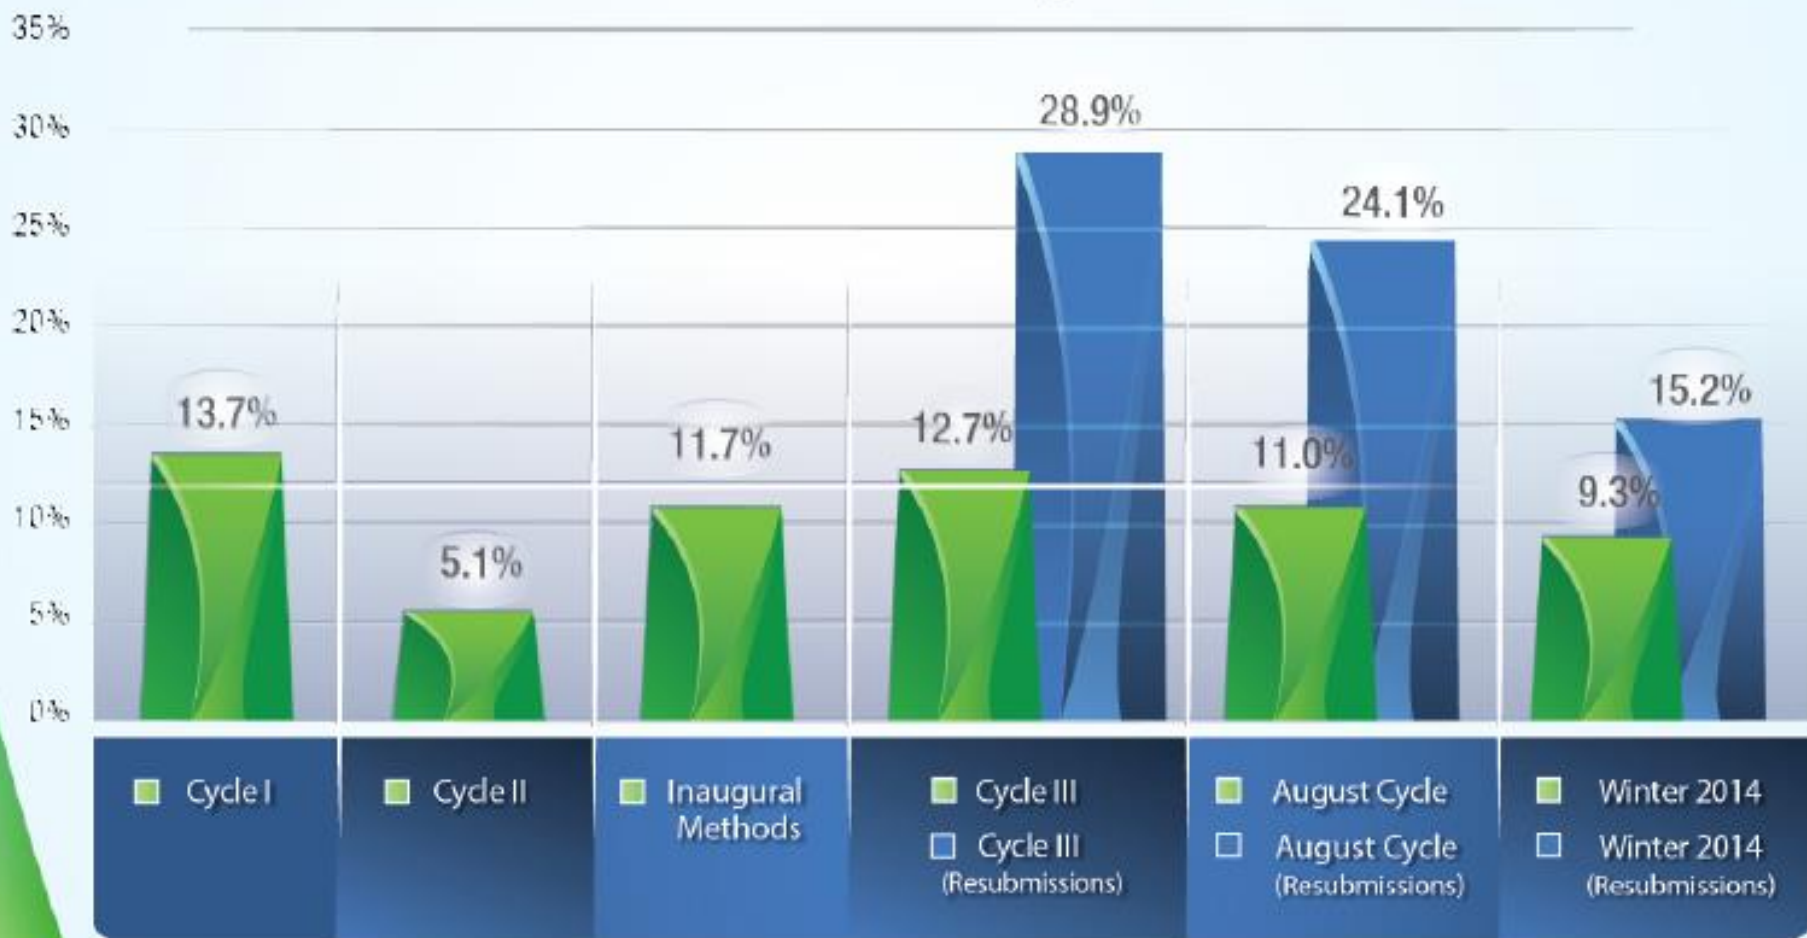

Addressing Disparities

Accelerating PCOR and Methodological Research

PCORI's Past Funding Rates

- \$210 million from the Patient-Centered Outcomes Research Trust Fund

- \$150 million from the Patient-Centered Outcomes Research Trust Fund
- \$1 fee per Medicare and private health insurance beneficiary
- Estimated at \$325 million

- \$150 million from the Patient-Centered Outcomes Research Trust Fund
- \$2 fee per Medicare and private health insurance beneficiary
- Estimated at \$650 million annually

FSM PCORI Successes (so far...)

Zeeshan Butt, PhD (2012)

Enhancing the Patient's Voice: Standards in the Design and Selection of Patient-Reported Outcomes Measures (PROMs) for use in Patient-Centered Outcomes Research

Kelly Michelson, MD, MPH (2013)

Improving Communication in the Pediatric Intensive Care Unit for Patients Facing Life-Changing Decisions

Lee Lindquist, MD, MPH, MBA (2013)

Advance Planning for Home Services for Seniors

Allen Heinemann, PhD (2013)

Developing Quality Metrics from Patient-Reported Outcomes for Medical Rehabilitation

Mary McDermott, MD (2014)

Patient-Centered Home Exercise Program for Peripheral Artery Disease

Shyam Prabhakaran, MD (2014)

Community Engagement for Early Recognition and Immediate Action in Stroke (CEERIAS)
