Award

_____ Alumnus of the Year
   • Has made and/or continues to make contributions to the program in a variety of ways
   • The nominee may contribute to the physical therapy program by means of teaching, promoting the university program, participation in clinical education, or promoting the alumni association
   • A good candidate will also have made meaningful contributions to the APTA nationally and in their state chapter

_____ Young Alumnus of the Year
   • A Physical Therapist who has earned a degree from NUPT within the past 10 years
   • Has made and/or continues to make contributions to the program in a variety of ways.

_____ Research Achievement Award
   • A Physical Therapist who has earned a degree from NUPT and has made and/or continues to make contributions to the program in the area of research
   • The nature and content of the research should improve the profession as a whole by contributing objective measurement and sound reasoning to the practice of Physical Therapy

_____ Donna Frownfelter Community Service Achievement Award
   • Has made and/or continues to make contributions to the community to promote awareness of physical therapy, educate on its role in prevention of health related diseases or injuries, provide support for various health-related issues and/or provide treatment to underserved communities that require physical therapy care

What do you feel the nominee has accomplished professionally that would meet the criteria of this award?
