

### **A MESSAGE FROM THE CHAIR** **JULIUS P.A. DEWALD, PT, PhD**

As we closeout 2025, I would like to take a moment to reflect in more detail on the extraordinary accomplishments of the Department of Physical Therapy and Human Movement Sciences (PTHMS). This year was marked by meaningful

progress and resilience across professional education, graduate training, research, clinical programs, and departmental operations, often under challenging and unpredictable conditions. What follows is a more comprehensive accounting of these accomplishments, made possible by the dedication of our faculty, staff, students, residents, fellows, and trainees.

**NUPTHMS CLASS OF 2028**

### **DOCTOR OF PHYSICAL THERAPY (DPT) PROGRAM**

#### **Class of 2025 Outcomes**

- 90.4% first-time pass rate on the NPTE
- 96.8% ultimate pass rate, with only three graduates outstanding
- 93 graduates

#### **Scholarships and Philanthropy**

Over the past five years, philanthropic support has grown significantly, expanding our donor funds from six to eight and nearly doubling our impact. We launched new endowed programs and research initiatives, created four new scholarships (including two endowed) and more than doubled both the number and total value of scholarships awarded. Additional scholarships coming soon.

### ACCREDITATION & PROGRAM EXCELLENCE

This October, PTHMS welcomed CAPTE, the nationally recognized accrediting body for PT & PTA programs. We thank our CAPTE Self-Study Committee, for their exceptional work in completing the Self-Study Report and guiding the DPT program successfully through the on-site visit. This was a major undertaking requiring sustained effort, coordination, and attention to detail, and the outcome reflects the strength and stability of our program.
